

SMART Businesses depend on SMARTRUCK™

TANK WAGON APPLICATIONS

SMARTRUCK™
Automated Dispatch & Delivery

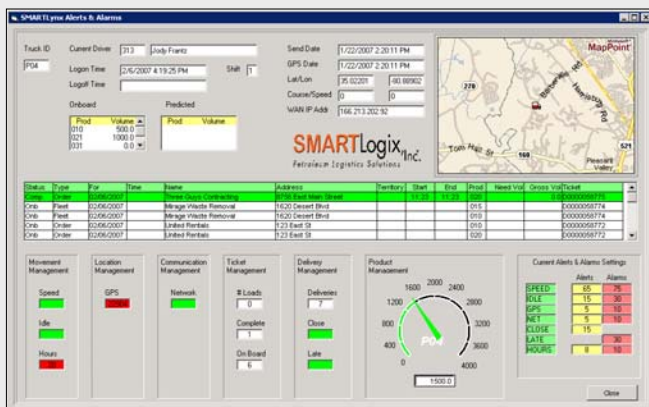

SMARTruck offers petroleum distributors a feature-rich, **real-time** solution for processing orders, managing **dispatch** functions and digitally capturing **delivery** information. The system's unique design provides a high degree of core functionality and can be **integrated** with virtually any back office **accounting system** without significant customization. The base system fully accommodates fuel, lubes and propane tank wagon applications.

Automating your bulk deliveries is as simple as installing the only wireless, real-time truck technology system on the market today. Call us today at 803-547-8265 or visit our Web site at www.smartlogixinc.com.

SMARTLOGIX™
